Let's Go to Lunch At Mound Cafeteria

When the Mound Cafeteria opened June 15, 1948, about 200 meals were served. Today about 400-425 meals are served per day to employees.

Howard Frost became Cafeteria supervisor in March, 1949, and Effie Watters has been chief cook since the Cafeteria was opened.

Features of the Cafeteria are modern cooking equipment, walk-in refrigerators, and a spacious dining area with forced ventilation.
