The Mound Museum Speaker Series – 2017 **The Old Barn Club and the Golden Age of** **Hills and Dales Park**

Date: Wednesday, February 22, 2017 at 7:00 pm

Place: Mound Science & Energy Museum, 1075 Mound Rd, Miamisburg, Oh

Speaker: David Schmidt, a Director of Undergraduate Programs in the Dept. of Earth and Environmental Sciences, at Wright State University.

Description: Join us as we step back into the pastoral setting of early Van Buren Township for a trip through John H. Patterson's sprawling country park. We'll review the major events occurring in Hills and Dales Park, trace its important equestrian history, and explore the Old Barn Club, which served as the hub of the park's early social activities. We'll also visit the nine Adirondack-style camps that hosted countless picnics and parties during the park's heyday.

Length: 1 hour, plus time for questions

Free and open to the public.
