

WHAT FIREFIGHTERS REALLY DO

Billy N. Ring

This presentation represents the intricacies of how job applicants become firefighters and how their careers advance thereafter.

- ❑ *How does the selection and hiring process work?*
- ❑ *What training is required?*
- ❑ *What are the general duties they perform?*
- ❑ *How are promotional exams administered?*
- ❑ *What are the levels of authority associated with Lieutenants, Captains, and Chiefs?*
- ❑ *What are the working conditions, "on the street?"*
- ❑ *What happens to the individual firefighter over the tenure of a career?*
